8. FIT AND COMPETENT: The Deer (Scotland) Act requires the Commission prior to issuing an authorisation to establish that a controller is fit and competent. If the controller(s) nominated are not already on the DCS fit and competent register they must provide references(two for each controller) from two separate individuals who:

- Have known the controller for a minimum of two years
- Have a sound knowledge of the aspects of Best Practice necessary to cull deer in a fit and competent manner.
- Can vouch for the nominated controller's ability to follow Best Practice and cull deer in a fit and competent manner.

Reference forms and accompanying information is available on request from the Deer Commission for Scotland or on the DCS web site http://www.dcs.gov.uk/p_CullAuthorise.htm.

9. GROUND DESIGNATED AS SSSI, SAC OR SPA:

Where you are undertaking control on ground that is subject to a designation such as a SSSI, SAC, or SPA you **must** ensure that **Scottish Natural Heritage** have agreed that the control carried out under this authorisation would not be damaging to the site.

If the ground is designated as detailed above please sign below

I have consulted with SNH and have their agreement that the actions taken under this authorisation are compliant with The Conservation (Natural Habitats, & c.) Regulations 1994 – Which can be viewed here: http://www.opsi.gov.uk/si/si1994/Uksi_19942716_en_1.htm
